English

liquid video merge. liquid video merge

really good if you're in a pinch. good.. its very good for fast jobs. please add "select frame by frame". its very necessary^^  
update: please add just cutting one video file feature. i want to cut just one video file.. good.. really good if you're in a pinch. its  
very good for fast jobs. please add "select frame by frame". its very necessary^^ update: please add just cutting one video file  
feature. i want to cut just one video file.
