Every single Roblox Developer does work to make Roblox better every day. Here is a list of all of them. [CyberPunkz - Roblox Directory, Game Highlight, Hacks](#)

This guide was made by Darren and his friends. It will teach you all about the hacks and modules available in Roblox. It's very detailed and gives you an insight into what can be done to your character and game and also gives tips and tricks on how to utilize the modules. It was written in May 2013 so does not include some of the more recent hacks which have been released since then. The guide contains screenshots for many examples to make it clearer for people who do not like reading. Darren is an avid Roblox player who has played for over five years and he has written the guide to share his knowledge with others. The guide covers information about Robux Hacks, Game Money Hacks, Protections, Outfits, Customization and Specializations. He also gives you some ideas on how to earn money in game so it can be used for buying Robux. Roblox Uncensored
